The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**AGREEMENTS TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 3 - AGREEMENT 2358
SUPERVISORIAL DISTRICT 4 - AGREEMENTS 2342 AND 2453
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the Mountains Recreation and Conservation Agency, Long Beach Redevelopment Agency and the City of Bellflower (public agencies) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE OF RECOMMENDED ACTION

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreements and copies are to be signed by the Chair and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of these agreements is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by three public agencies. The first agreement is with the Mountains Recreation and Conservation Agency, which intends to utilize these properties for open space and public parkland purposes. The second agreement is with the Long Beach Redevelopment Agency, which intends to utilize the property for open space purposes. The third agreement is with the City of Bellflower, which intends to utilize this property for landscaping purposes.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agencies' purchases. This attachment indicates the affected Supervisorial Districts and the public use for which the properties

are being acquired. Moreover, we have included copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreements are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

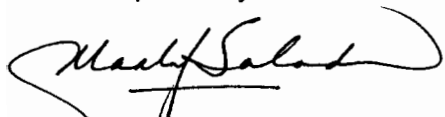

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO
Treasurer and Tax Collector

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

RE: Transmittal of Executed Agreement Consenting
to Acquisition of Tax-Defaulted Properties

Dear Ms. Poynter:

Enclosed please find the three executed originals of the two agreements¹ regarding the purchase of tax-defaulted properties by the Mountains Recreation and Conservation Authority (MRCA) sent to the City for execution per City Council action (CF 03-2295). Please note that I retain my opinion that the legal descriptions contained therein appear to be insufficient for recordation. However, in light of your assurance that the descriptions provided are those of the County tax assessor and that past agreements have recorded with descriptions such as these, I forwarded these to the Mayor for his signature.²

Please note that on the Chapter 8 agreements, the City Clerk erred in her placement of the City Clerk's attestation as to the Mayor's signature. She initialed the error and placed the attestation in the space provided. I hope this will not create any inconvenience.

¹ One original of the agreement between the MRCA and the City containing the covenant that the properties will be held and used as open space and two originals of the agreement between MRCA and the County of Los Angeles in which the City evidences its consent to the acquisition of the identified properties.

² If these agreements are rejected for recordation on this basis, the City will not execute any further agreements of this nature absent the provision of adequate legal descriptions.

Ms. Susan Poynter

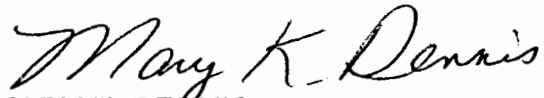

March 8, 2005

Page 2

Also, the agreement with the City is drafted with the request that the document be returned to the City after recordation. In light of that, I will forward a copy of the executed document to you upon receipt of them from the County of Los Angeles Recorder's Office.

If you have any questions, you may contact me at (213) 978-8255.

Sincerely,

A handwritten signature in cursive script that reads "Mary K. Dennis".

AGREEMENT

This agreement is entered into this 4th day of March, 200⁵~~4~~, by and between the City of Los Angeles, a municipal corporation (hereinafter "CITY") and the Mountains Recreation and Conservation Authority, a joint powers authority of the Santa Monica Mountains Conservancy, Conejo Recreation and Park District, and Rancho Simi Recreation and Park District (hereinafter "MRCA").

Preliminary Statement

Pursuant to a tax default sale, MRCA is acquiring certain tax-defaulted parcels of real property (hereinafter "Property") from the County of Los Angeles (hereinafter "County"). The parcels are identified in Exhibit "A", attached hereto for reference. The CITY is not a party to the sales transaction between MRCA and the County.

Section 3775 of the Revenue and Taxation Code (hereinafter "Rev. and Tax. Code") provides that whenever a county or state purchases tax-defaulted property, the governing body of the city in which the property is located must agree to the purchase price.

The CITY desires to consent to the purchase price. The CITY also desires that the Property identified in Exhibit "A", continue to be maintained as open space area for the public good. MRCA also desires to maintain the Property as open space area.

In the event MRCA is not agreeable to maintaining the property as open space area, the CITY could object to the sale and file an application to purchase said property (Section 3695.4 of the Rev. and Tax. Code). Upon purchasing the property, the CITY could accomplish its goal of maintaining the property as open space area.

NOW, THEREFORE, in consideration of the covenants and agreements hereinafter set forth, the CITY and MRCA agree as follows:

1. MRCA agrees to maintain the Property as open space area, in perpetuity.
2. CITY agrees not to object to the sale and agrees not to file an application to purchase the property.
3. This instrument contains the entire agreement between the parties relating the rights herein granted and the obligations herein assumed. No subsequent alteration, amendment, change or addition shall be effective unless reduced to writing and signed by the party to be charged.
4. In the event of any controversy, claim or dispute relating to this agreement or the breach thereof, the prevailing party shall be entitled to recover from the losing party reasonable expenses, including but not limited to attorney's fees and costs.
5. This agreement shall be governed by the laws of the State of California.
6. This agreement shall be binding on all heirs, personal representatives, successors and assigns of MRCA.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

Dear Mr. Redins:

This letter replaces my letter dated July 26, 2004, in which I referenced a property with an incorrect Assessor Parcel Number.

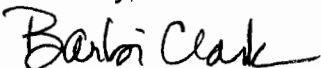

Previously, the Long Beach Redevelopment Agency indicated an interest in acquiring eight properties through Chapter 8 Agreement Number 2342 (see attached agreement). At this time, the Agency would like to move ahead with acquisition of only five of the eight properties, as listed below:

We are no longer interested in acquiring the other three properties listed in the Agreement (APNs 7278-019-031, 7269-017-008, and 7269-017-010). We request that the Agreement be amended to reflect the acquisition of only the five properties listed above, and that the necessary paperwork be provided for us to move ahead with the amended Agreement. RESOLUTION NO. R. A. 18-2004

A RESOLUTION OF THE REDEVELOPMENT
AGENCY OF THE CITY OF LONG BEACH, CALIFORNIA
MAKING CERTAIN FINDINGS REGARDING THE
CONSTRUCTION OF CERTAIN PUBLIC IMPROVEMENTS
WITH REDEVELOPMENT FUNDS

WHEREAS, the City Council of the City of Long Beach adopted and approved a certain Redevelopment Plan (the "Redevelopment Plan") for the Central Long Beach Redevelopment Project (the "Project"); and

WHEREAS, in furtherance of the Project and the immediate neighborhood in which the Project is located, the Redevelopment Agency of the City of Long Beach, California (the "Agency"), has recognized the need for certain public improvements, which improvements will be located within the boundaries of the Project, and proposes to use redevelopment funds to finance these improvements; and

WHEREAS, Section 33445 of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.) requires the Agency to make certain findings prior to the acquisition of land and construction of public improvements or facilities thereon; and

WHEREAS, Section 33678 of the Community Redevelopment Law provides that under certain conditions tax increment funds shall not be subject to the appropriations limitation of Article XIII B of the California Constitution;

NOW, THEREFORE, the Redevelopment Agency of the City of Long Beach, California resolves as follows:

Section 1. The Agency determines that the construction of public improvements, more particularly described in Exhibit "A", are of benefit to the Project and the immediate neighborhood in which the Project is located. This finding is supported by the following facts:

The sites have been abandoned for several years. Acquisition and development of the sites will enable the removal of blight. The communities surrounding the property are primarily high-density residential that are currently underserved in terms of open space and public parking.

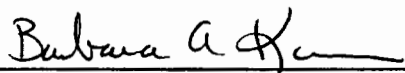

Sec. 2. The Agency determines that no other reasonable means of financing the above-described improvements are available to the community. This finding is supported by the following facts:

Before the passage of Proposition 13, most of the City's general operating and capital improvements were funded through property taxes. However, the initiative placed severe constraints on the City's ability to use property tax revenues to offset increases in operating and capital costs. It has also been difficult for the City, by itself, to provide sufficient funds to support the construction of major public improvements. In fiscal year 2003-2004, the limited resources of the City's General Fund are committed to previously incurred obligations and planned projects.

////

Sec. 3. The Agency further determines that the payment of funds for the construction of the public improvements will assist in the elimination of one or more blighting conditions within the Project, and is consistent with the implementation plan adopted pursuant to Health and Safety Code Section 33490.

APPROVED AND ADOPTED by the Redevelopment Agency of the City of Long Beach, California, on this 8th day of March, 2004.

RESOLUTION NO. C-28482

A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF LONG BEACH MAKING CERTAIN FINDINGS
REGARDING THE CONSTRUCTION OF CERTAIN PUBLIC
IMPROVEMENTS WITH REDEVELOPMENT FUNDS

WHEREAS, the City Council of the City of Long Beach adopted and approved a certain Redevelopment Plan (the "Redevelopment Plan") for the Central Long Beach Redevelopment Project (the "Project"); and

WHEREAS, in furtherance of the Project and the immediate neighborhood in which the Project is located, the Redevelopment Agency of the City of Long Beach, California (the "Agency"), has recognized the need for certain public improvements, which improvements will be located within the boundaries of the Project, and proposes to use redevelopment funds to finance the improvements; and

WHEREAS, Section 33445 of the California Community Redevelopment Law (Health and Safety Code Section 33000 et seq.) requires the Agency to make certain findings prior to the acquisition of land and construction of public improvements or facilities thereon; and

WHEREAS, Section 33678 of the Community Redevelopment Law provides that under certain conditions tax increment funds shall not be subject to the appropriations limitation of Article XIIIB of the California Constitution;

NOW, THEREFORE, the City Council of the City of Long Beach resolves as follows:

Section 1. The City Council determines that the construction of public improvements, more particularly described in Exhibit "A", are of benefit to the Project and the immediate neighborhood in which the Project is located. This finding is supported by the following facts:

1 The sites have been vacant for several years. Acquisition and
2 development of the site will enable the removal of blight. The
3 communities surrounding the property are primarily high-density
4 residential that are currently underserved in terms of open space and
5 public parking.

6 Sec. 2. The City Council determines that no other reasonable
7 means of financing the above-described improvements are available to the community.
8 This finding is supported by the following facts:

9 Before the passage of Proposition 13, most of the City's general
10 operating and capital improvements were funded through property taxes.
11 However, the initiative placed severe constraints on the City's ability to
12 use property tax revenues to offset increases in operating and capital
13 costs. It has also been difficult for the City, by itself, to provide sufficient
14 funds to support the construction of major public improvements. In fiscal
15 year 2003-2004, the limited resources of the City's General Fund are
16 committed to previously incurred obligations and planned projects.

17 Sec. 3. The City Council further determines that the payment of
18 funds for the construction of the public improvements will assist in the elimination of one
19 or more blighting conditions within the Project, and is consistent with the
20 implementation plan adopted pursuant to Health and Safety Code Section 33490.

21 Sec. 4. This resolution shall take effect immediately upon its
22 adoption by the City Council, and the City Clerk shall certify the vote adopting this
23 resolution.

24
25 I hereby certify that the foregoing resolution was adopted by the City
26 Council of the City of Long Beach at its meeting of November 16, 2004 by
